Prominent Veterinary of Dover Suffered Tortures for Twelve Years

"FRUIT-A-TIVES" and "Sootha Salva" Finally Brought Relief

Dover, N. H.

"In 1906, I began to be troubled with Eczema. It started on my face and gradually spread. The second summer, I was so badly afflicted I had to lay off work. I would keep my hands tied up at night to prevent digging into my flesh while asleep. I spent hundreds of dollars in seeking relief. I would go for several months without trouble and then the Eczema would break out again and I would be in for a siege of suffering. My hands, especially across the knuckles, would be so puffed and swollen I could not do any obstetrical work or operations.

It was about three months ago I chanced to read an ad. of 'Fruita-tives' about a person being cured of Weeping Eczema by using this remedy and 'Sootha Salva'. I bought both and in about a week, noticed an improvement. I have now used two boxes of 'Fruit-a-tives' and one of Sootha Salva' and am entirely free of Eczema. My flesh is clear and smooth and I am that gratified with the result that I cannot proclaim too

loudly the merits of these remedies". E. N. OLZENDAM, D. V. M.

Noth remedies are sold at 50c. a box, 6 for \$2.50. At all dealers or sent postpaid by FRUIT-A-TIVES Limited, OGDENSBURG, N. Y.
